

Privacy Policy

Covent Garden Mum event attendees may provide their email addresses, of their own free will either in writing or verbally, if they wish to be added to our database. Email addresses are held securely on a password-protected system and are not shared with any third parties. Upon request email addresses will be permanently deleted from our database. Covent Garden Mum collects emails of those attending events for the purpose of:

- Communicating information about Covent Garden Mum events both forthcoming and pre-booked.

If any changes are required to how Covent Garden Mum uses data, fresh consent will be sought.
