

Moo Music Farnham and Aldershot

Privacy Policy

Please read the following privacy policy before proceeding with your booking:

Your privacy is important to us.

It is Moo Music Farnham and Aldershot's policy to respect your privacy regarding any information we may collect while operating our website, Bookwhen page, Facebook page and Instagram page. Accordingly, we have developed this privacy policy in order for you to understand how we collect, use, communicate, disclose and otherwise make use of personal information. We have outlined our privacy policy below.

We will collect personal information by lawful and fair means and with the knowledge or consent of the individual concerned.

Before or at the time of collecting personal information, we will identify the purposes for which information is being collected.

We will collect and use personal information solely for fulfilling those purposes specified by us and for other ancillary purposes, unless we obtain the consent of the individual concerned or as required by law.

Personal data should be relevant to the purposes for which it is to be used, and, to the extent necessary for those purposes, should be accurate, complete, and up-to-date.

We will protect personal information by using reasonable security safeguards against loss or theft, as well as unauthorised access, disclosure, copying, use or modification.

We will make readily available to customers information about our policies and practices relating to the management of personal information.

We will only retain personal information for as long as necessary for the fulfilment of those purposes.

Whilst the family atmosphere we encourage at classes means that parents, grandparents and friends should feel very comfortable taking photographs or video footage, we would ask that everyone remains sensitive to the feelings of others and always stop filming should they be asked to do so and not replicate any materials unless given permission to do so.

You may opt out of having your child included in photographs taken by our leaders. If you do every effort is made to avoid your child being included, obviously other parents may take photos during

classes. You can opt to have your child/you blurred or covered out of photos, and you can also agree to have photos taken and used by Moo Music Farnham and Aldershot in promotion of our classes and on all media formats.

We are committed to conducting our business in accordance with these principles in order to ensure that the confidentiality of personal information is protected and maintained. Moo Music Farnham and Aldershot may change this privacy policy from time to time at Moo Music Farham and Aldershot's sole discretion.
